Laudam Polska is a dynamic developing company that is a part of Laudam Holding, which has actively been working in the recruitment market since 1990.

Laudam Polska has been selected from Laudam Holding as a separate company to cooperate with the EU countries. We have received the legal registration for the Recruitment Agency enabling it to mediate the employment of Polish workers abroad. The certificate has been awarded by the Marshal of Pomeranian County no.4084/1b.

In 2008 Laudam Polska were awarded with the license certificate by GLA (Gangmaster Licensing Authority) and also received the registration as a Training Institution.

Laudam Polska specializes in the recruitment and selection of Polish workers required by foreign employers. Our aim is to provide the best quality service in the most cost effective way, to suit the requirements of our clients. For many years Laudam Polska has been dealing with several members of the European Union.

If you are looking for motivated, skilled and efficient staff, we are able to provide our dedicated and experienced consultants to find the right candidate that will satisfy your requirements. All potential applicants are assessed and interviewed individually.

We pride ourselves on our level of professionalism and service. We select the best candidates taking into account their level of English, which is thoroughly checked as well as their experience. All applicants require proof of citizenship, birth certificate, police check from their country of origin, passport, references as well as any certificates proving their qualifications.

We will take care of completing all necessary documents, translations and we can also assist with travel arrangements. We are happy for you to use our office facilities to come and meet the potential candidates.

Laudam Polska holds a quite extensive database of well qualified candidates from various professions. We are able to fulfill all your requirements in order to find the best candidate.

Our extensive recruitment experience demonstrates how we have become one of the most established companies in this sector.
